

YES! I want to help the Graystone Society

The Graystone Society was created in 1984 to assist the City of Coatesville with municipal improvement and economic development through historic preservation. With its acquisition of two major landmark properties, the Society has firmly established its mission of recognizing, conserving, and promoting Coatesville's considerable architectural and cultural heritage. The city remains a vital center of America's historic iron and steel industry.

I will contribute:

- A one-time gift of \$ _____ which I will fulfill on _____.
